13933	CAORLE (fig.)		ITALY	7	08/02/2005	VR2005C000082	17/06/2005	1638215	CCM SRL IN LIQUIDATION AGREED AND ESTIMATE	machinery, machine tools, engines (except for land vehicles), machine coupling and transmission components (except for land vehicles), agricultural implements (other than hand-operated), incubators for eggs, machine tools for the service brakes, lathes and grinding machines for discs and drums and brake shoes for passenger cars and trucks, for riveting of brake shoes, cars and trucks.	08/02/2025
13946	CAORLE (fig.)		With international validation in Australia, Switzerland, China, Russia, Japan, Norway, Romania and United States	7	03/05/2015	28312 D / 2005	16/06/2005	871617	CCM SRL IN LIQUIDATION AGREED AND ESTIMATE	Machinery, machine tools, engines (except for land vehicles); machine coupling and transmission components (except for land vehicles); agricultural implements (other than hand-operated); incubators for eggs; machine tools for reconditioning brake (Used to bring the brakes to their initial state), lathes and adjustments for brake discs, drums and brake shoes for cars and trucks; riveting machine for brake shoes for cars and trucks.  US list limited to machines, ie chamfering machines, drilling machines for metalworking, centering and end milling machine, ie machines for finishing to get the finishing processes, namely, the centering, the bulging, the collection, the counterdrill, drilling, chamfering, the internal and external finishing of metal solid bars, metal tubes, of bar ends and the ends of the metal pipes, machines for the collection of residues the processing of pieces of metal worked with centering and trimming machines; CNC machine tools or machine tools for milling, turning, cutting, drilling, threading and grinding of metal parts; working machining centres the machining of metals terminal parts, machine tools for the reconditioning of motor vehicles brakes, namely, lathes and grinding machines for brake discs and drums of cars and trucks, lathes for the automobile brake pads, grinding machines for the reconditioning of automobile brake shoes, riveting machines for the automobile brake pads  Japan limited list Machines for metalworking, machines and tools metal working, electric motors and combustion engines (except for land vehicles); accropaptic machines and components for transmissions (except for land vehicles); agricultural tools (other than those manuals); incubators for eggs; machine tools for ie metalworking machine tools for grinding brakes (Used to bring the brakes to their initial state), lathes and grinding machines brake discs, drums and strains for cars and trucks; riveting machines brake shoes for cars and trucks, machine tools for metal machining for final parts: Profiling corner and threading machines, parts and accessories therefor.	17/06/2025
13947	CAORLE (fig.)		EUROPEAN COMMUNITY	7	15/03/2005	4339818	23/03/2006	4339818	CCM SRL IN LIQUIDATION AGREED AND ESTIMATE	Machinery, machine tools, engines (except for land vehicles), machine coupling and transmission components (except for land vehicles), agricultural implements (other than hand-operated); incubators for eggs; machine tools for the service brake; lathes and grinding machines for cars and drums and brake shoes for passenger cars and trucks; riveters for cars and trucks brake shoes.	15/03/2025
