

Prog.	Description	U.M.	Quantity
1	Light shelving module	modulo	5
2	Canon MX 395 printer	cad	1
3	Green Power portable air compressor 25 l	cad	1
4	Various type backpack / bag	cad	2
5	Midland ALAN 68 S complete cb radio device	body	1
6	Semi-complete tool case	body	1
7	Small portable plant for oxyacetylene welding	body	1
8	Empty equipment box	cad	1
9	Empty plastic toolbox	cad	2
10	Case with pressure gauge set for checking / charging air conditioning systems	set	1
11	Hole cutter set on Makita case	set	1
12	Manual tube bending set Wigam	set	1
13	Aeg 18V cordless drill driver	cad	1
14	Bubble with magnetic base	cad	1
15	Elematic case with set of electrical terminals and pliers	conf	1
16	Case with set of electrical terminals	conf	1
17	Elematic case with electrical terminal set	conf	1
18	Various type bag	cad	2
19	Case with portable LPG welder Dremel	set	1
20	Lot of consumables and common tools	body	1
21	Case with TV socket set and cable lugs	conf	1
22	Airbrush	cad	1
23	Compressed air inflation pressure gauge	cad	1
24	Lavor FreeVac 1.0 vacuum cleaner	cad	1
25	Various type trolley	cad	1
26	Various type can	cad	3
27	Smartphone iPhone 5c	cad	1
28	Lot of mounting brackets for Linkem systems, n. 1 carton	body	1
29	Lot n. 3 cylinders for loading air conditioning systems	body	1
30	Lot n. 13 cable conduit rolls in various types of corrugated	body	1
31	Lot n. 1 hose roll for condensation drains for air conditioning systems	body	1
32	Lot n. 2 insulated copper tube rolls for connecting air conditioning units, about 50 m in total	body	1
33	External modem Linkem various models	cad	8
34	Indoor modem Linkem various models	cad	5
35	Linkem indoor / outdoor unit without packaging, various types	cad	9
36	Lot n. 27 rolls of electric cables of various types (monopolar, multipolar, data signals, television signals, telephone signals, etc.) of various consistency and characteristics	body	1
37	Lot of plastic plates, n. 1 box	body	1
38	Indoor / office ceiling lamp 2 neon	cad	1
39	Lot of RJ network cables, no. 1 carton	body	1
40	Lot of cable ties and metal chains, n. 1 carton	body	1
41	Lot of recovery elements for roller shutters, n. 1 carton	body	1
42	Lot of plastic ties and switch / socket boxes for electrical systems	body	1
43	Lot of metal hose clamps	conf	1
44	Metal bracket of various types	cad	4
45	Lot of plugs / pressure screws of various types in case	body	1
46	Protective sheet in plastic material	cad	1
47	Hose section D 200 mm	cad	1
48	Lot of accessories for assembling thermal / electrical systems (jumpers, sleeves, curves, connections, fittings, etc.), n. 1 plastic box	body	1
49	Lot of T and curve and V for civil exhaust systems, about 15 pieces	body	1

Prog.	Description	U.M.	Quantity
50	Lot of components and accessories and consumables for the realization of electrical systems, includes, switches, sockets, plates, fruits, boxes, fittings, connections, spotlights, industrial sockets, etc., on n. 4 shelves shelves	body	1
51	Caustic soda jar	conf	1
52	Lot of neon tubes apparently from recovery, about 35 pieces	body	1
53	Circular diffuser for aeraulic systems	cad	4
54	Bathroom wall light in glass	cad	1
55	Lot of recovery led spotlights, about 12 pieces	body	1
56	Lot of brackets to support air conditioners, about 10 pieces	body	1
57	Lot of anchor screws for plasterboard, n. 1 box	conf	1
58	Lot of small parts and nuts and bolts of various types, n. 2 bins	body	1
59	Lot of various materials for assembling thermo-hydraulic systems, includes n. 3 mixers and n. 4 sink drain drains	body	1
60	Lot of terminals for toilet drain, n. 1 carton	body	1
61	Pair of manifolds for radiant floor systems, n. 5 circuits	coppia	2
62	Thermostatic head to control various types of heating systems	cad	23
63	Lot of knobs for heating systems, n. 1 carton	body	1
64	Lot of various materials for assembling thermo-hydraulic systems, n. 2 cartons	body	1
65	Mixer with drain	set	1
66	Lot of kits for civil sanitary drains, n. 17 boxes	body	1
67	Lot of external plates for toilet operation, n. 4 boxes	body	1
68	Lot of user thermometers for heating systems, n. 1 carton	body	1
69	Lot of accessory elements for civil exhausts, n. 1 carton	body	1
70	Lot of external rigid PVC conduits, metal conduits, baseboards for plant passage, various types, total development about 100 m	body	1
71	Lot of user thermometers for heating systems, n. 1 carton	body	1
72	Lot of various materials for assembling thermo-hydraulic systems, n. 5 cartons	body	1
73	Ideal Standard mixer	cad	3
74	Lot of waste drains, about 10 pieces	body	1
75	Dosing pump G.M.2 9000405	cad	1
76	Antifreeze thermostat for Technik DBTF-3P systems	cad	1
77	Fittings kit for Irsap heating system manifolds	set	8
78	Lot of T extensions for connecting Agis brass towel warmers	conf	1
79	Electric heater for towel warmers, various types	cad	7
80	Ups and downs for hand shower	conf	1
81	Ideal Standard mixer with drain for sink	set	3
82	Lot of waste materials and / or parts to be disposed of and / or waste in n. 5 plastic bags	body	1
